

FCC Rule on Pre-recorded Messages to Cell Phones

CONSENT FORM

Patient's Name _____

Telephone Consumer Protection Act requires prior express written consent from patients/consumers before delivering a pre-recorded message or using automatic dialing equipment devices.

These pre-recorded messages are calls or texts left via voicemail or texts to patients/parents cell phone.

As a service to our clients, we provide a courtesy appointment reminder call and possibly other important calls that may be placed using a pre-recorded message. By providing your cell phone number, you are consenting to receiving such calls to the cell phone numbers listed below.
